## Our Favorite Perennials List

We have chosen these for their hardiness and dependability in our area. There are many, many other great perennials that do well in our area, also!

1. Daylilies (Lots of beautiful colors and varieties)
2. Black Eye Susan (Goldstrum is the best variety.)
3. Purple Cone Flower (Whites, also, but they can be harder to get started.)
4. Shasta Daisy (Tall or dwarf variety)
5. Coreopsis (Moonbeam, Zagrib, Rosea, Baby Sun, & others)
6. Bee Balm (Monarda) Red lasts the best and attracts hummingbirds.
7. Sedum Autumn Joy (and others, likes sunny areas & tolerates dry soil)
8. Hostas (Great for shade, colorful, interesting varieties)
9. Peonies
10. Russian Sage
11. Lupine (Self seeds and spreads)
12. Oriental Poppy (Needs a well drained location)
13. Daffodils (Bloom early in the spring, deer and squirrel won't eat these)
14. Clematis Vine (Roots need Shade and kept cool, top needs sun)
15. Trumpet Vine (Very vigorous, hummingbirds love it)
16. Blue Pincushion Flower (Scabosia) Blooms almost all summer
17. Tall Phlox (Likes a well-drained, sunny location)
18. Groundcover, shrub, & miniature roses (Very hardy, choose varieties grown on their own root, not grafted)
19. German-Bearded Iris (Very fragrant)
